Thelma's blog

I'm sure everyone's got someone that's very special to them. My favourite person is my flatmate Sally. She's a vet and loves looking after animals. I really admire her.

Sally is in her late twenties and she's very pretty. She's slim with long straight brown hair and big brown eyes. I love her freckles and her friendly smile!

Sally is sociable and likes meeting her friends. Actually, she can be a bit too talkative at times! The other person can't get a word in! But she's still a lovely person.

In her free time, Sally likes doing exercise so she's very fit. She usually rides her bicycle at weekends. She also goes running every evening in the park.

Sally makes a big difference in my life because she always makes me feel happy. She's not just a flatmate – she's a real friend! Who's your favourite person?
